

dear guests

in our statistics i can see many clicks by foreign visitors.  
i ´m pleased that you meet us here at our army antiaircraft site.

this site would like to present the history of the german "Flugabwehregiment 1" and the history of antiaircraft in the german "Bundeswehr".

if you like to meet us here on this side, please feel free to mail us at [mail to PzFla](#) .

i ´m in search of pictures and articles about other antiaircraft weapons and stories from foreign soldiers and veterans which has done their military service in such units like ours.

i would be proud to get links from foreign sites and we will link your site as well.
